Fancy Magic

Vestiti di fantasia!

2015 - 2016

Un grazie speciale a tutti i fotomodelli, grandi e piccini!

A special thanks to all the fashion
models, young and grown-ups!

Complimenti per aver scelto la qualità!

Fancy Magic è una linea di prodotti in continuo incremento e rinnovamento, grazie all'esperienza e alla creatività del team di lavoro che crea ogni anno nuovi prodotti con una costante attenzione alla qualità e alla sicurezza dei materiali.

La collezione è affiancata dalle linee EASY BABY e EASY FANCY, più semplici e pratiche, ma concepite con la stessa cura dei prodotti Fancy Magic. Queste linee si presentano in una pratica e colorata custodia di tessuto non tessuto, realizzata per soddisfare le esigenze di tutti i nostri clienti.

Da oltre 25 anni con la nostra esperienza produciamo costumi di qualità, piccoli capolavori di sartoria che rendono magica la festa e il gioco del travestimento. Ogni costume viene ideato, progettato e realizzato con cura dal nostro team, e controllato in ogni fase della produzione.

Tutti gli articoli sono conformi alle norme **CE** della sicurezza sul giocattolo.

Thank you for choosing quality!

Fancy Magic is a collection where experience and creativity are based on a constant attention to the quality and the safety of the materials by our team working.

The collection contains also two lines of costumes: EASY BABY, and EASY FANCY.

These lines are easier and more practical, but designed with the same care of the Fancy Magic's products.

These lines are sold in a practical and colorful case of non-woven fabric, designed to meet all our customers needs.

For more than 25 years, with our experience, we have produced quality costumes, little masterpieces of tailoring that transform the party and the game of disguise in a magic moment.

Each costume is designed, developed and manufactured with care by our team, and controlled at every stage of production.

All items are in accordance with **CE** on toy safety.
